

Fully Synthetic

# HANABI Lube PAO A3/B4

Premium gasoline engine oil for Maximum performance by PAO boosting

### OVERVIEW

HANABI Lube PAO A3/B4 is formulated with PAO (Poly Alpha Olefin) and highly refined hydrotreated base oils, suitable for passenger cars, RVs, light trucks, and SUVs running on gasoline, diesel, or LPG engines. Its outstanding oxidation and thermal stability deliver extended oil service life. The formulation meets the engine oil specifications required by European automakers including Volkswagen, BMW, and Mercedes-Benz.

### PRODUCT APPLICATIONS

- Suitable for all vehicles with gasoline, diesel, or LPG engines
- Especially well-suited for vehicles operating in modern stop-start traffic conditions
- Compatible with DOHC, turbocharged, direct injection, and catalytic converter-equipped vehicles

### PERFORMANCE LEVEL

- ACEA A3/B4, API SN, MB 229.3, BMW Long Life-01, VW 501.01/502.00 / 505.00, GM-LL-B-025

### CUSTOMER BENEFITS

#### Excellent Base Oil Combination

PAO and VHVI Base Stocks based fully synthetic engine oil provides great low temperature and high temperature viscosity properties, oxidation stability, and thermal stability.

#### Extends Oil Drain Interval

Minimizing viscosity loss during using engine oil extends oil drain interval

#### Strengthens Engine Durability

The advanced additives for detergents and dispersants strengthen engine durability through reducing some sludge and combustion deposits inside engine.

### REMARKS

| SAE Grade                                       | 0W-40      |
|-------------------------------------------------|------------|
| Kinematic Viscosity, mm <sup>2</sup> /s @ 40°C  | 77.6       |
| Kinematic Viscosity, mm <sup>2</sup> /s @ 100°C | 13.7       |
| Viscosity Index                                 | 182        |
| Pour Point °C                                   | 40.0       |
| Package (Liters)                                | 1T, 4T,200 |
